Due to the current unpredictability of material cost, MVE prices are subject to change. Please check with your sales representative or look on our web site for current pricing.

Come visit us on the web at www.doc.missouri.gov/mve

Missouri Vocational Enterprises provides the restoration services of repairing, refinishing, or reupholstering furniture if the piece of furniture is structurally sound. Quality workmanship goes into each piece of furniture, individually refurbished to meet your needs. We pick up and deliver your wood or metal furniture, and repair it at a fraction of new furniture cost. We can install plastic laminate tops on desks, tables, etc. We have both fabric and vinyl materials, and can make standard or special cushions for chairs or couches. The restoration technique used includes a stripping process that does not loosen joints, a durable polyurethane finish coat, a coat of rust preventative on metal, and enamel paint finish. Look at the pricing page and consult an MVE Sales associate for additional information.

Missouri Revised Statutes Furniture Restoration

Missouri Revised Statutes Chapter 217 Department of Corrections Section 217.575

August 28, 2001

Sales of goods or services to state or political subdivisions --promotion--price--certification of non-availability required for state purchases, when.

- 217.575. 1. All goods manufactured, services provided or produce of the vocational enterprises program of the state shall, upon the requisition of the proper official, be furnished to the state, to any public institution owned, managed or controlled by the state, or to any private entity that is leasing space to any agency of the state government for use in space leased to the state agency, at such prices as shall be determined as provided in subsection 4 of this section.
- 2. No goods or services so manufactured, provided or produced shall be purchased from any other source for the state or public institutions of the state unless the department shall certify the goods or services included in the requisition cannot be furnished or supplied by the vocational enterprises program within ninety days, or, in the event the same goods or services cannot be procured on the open market within ninety days, that the vocational enterprises program cannot supply them within a reasonable time. No claims for the payment of such goods or services shall be audited or paid without this certificate. One copy each of the requisition or certificate shall be retained by the department.
- 3. The division of purchasing and the division of design and construction shall cooperate with the department in seeking to promote for use by state agencies and in state-owned or -occupied facilities the products manufactured and services provided by the vocational enterprises program.
- 4. The vocational enterprises program shall fix and determine the prices at which goods and produce so manufactured and produced and services so provided shall be furnished, and the prices shall be uniform to all. The cost shall not be fixed at more than the market price for like goods and services.
- 5. Any differences between the vocational enterprises program and the state, its departments, divisions, agencies, institutions, or the political subdivisions of the state as to style, design, price or quality of goods shall be submitted to arbitrators whose decision shall be final. One of the arbitrators shall be named by the program, one by the office, department, political subdivision or institution concerned, and one by agreement of the other two. The arbitrators shall receive no compensation; however, their necessary expenses shall be paid by the office, department, political subdivision or institution against which the award is given, or, in the event of a compromise decision, by both parties, the amount to be paid by each party in portions to be determined by the arbitrators.
- 6. The vocational enterprises program may sell office systems and furniture to any department, agency, or institution of the state or any political subdivision of the state either through outright purchase or through payment plan agreement, including handling charges, over a specified number of months contingent on the solvency of the working capital revolving fund. Prior approval shall be required by the division of design and construction for state agencies in situations where the office of administration controlled state-owned office space is involved and space in which a lease contract executed by the office of administration is in effect.

(L. 1982 H.B. 1196 § 101, A.L. 1989 H.B. 408, A.L. 1994 S.B. 763)

Catalog of products furnished public officers--institutions to report estimates of needs.

- **217.580.** 1. The department shall develop a program to promote the products and services available from the vocational enterprises program.
- 2. Once every year, the vocational enterprises program shall issue a descriptive list of the styles, designs, qualities and types of goods, materials or services available for the ensuing year.
- 3. On July first of each year the proper officers of the state and of the divisions, agencies and institutions and political subdivisions of the state shall report to the vocational enterprises program estimates for the ensuing year of the amount of supplies of different kinds or the types of services required to be purchased by them that can or may be furnished by the vocational enterprises program.

(L. 1982 H.B. 1196 § 102, A.L. 1989 H.B. 408, A.L. 1994 S.B. 763)

About MVE

MVE Auto Restoration will restore vehicles from Frame to Finish.

Vehicles must be 25 years or older.

A kit car can be of any age including new.

Proof of ownership is required.

MVE will not accept projects if insurance is claimed.

BEFORE

About MVE

Missouri Vocational Enterprises (MVE) is a part of the Division of Offender Rehabilitative Services under the Missouri Department of Corrections. MVE utilizes offender labor, along with supervisors and administrative staff, to provide products and services to state agencies and other tax-supported entities. Great pride is taken in providing quality, efficiency and timely support to all of our customers.

Missouri Vocational Enterprises (MVE) is responsible for 28 different industries, services and agri-business operations located in ten correctional institutions throughout the state. Since it's beginning over 100 years ago, the program has been revised and expanded. At any one time, MVE employs approximately 1,300 offenders who provide a variety of products and services for sale to state agencies, city and county governments, political subdivisions, state employees and not-for-profit organizations. Its goal is to increase employment and training opportunities for offenders.

Varieties of vocational training programs are provided in various institutions throughout the state. Funding is obtained from the profits of MVE. Programming is directed at teaching offenders applicable work skills and habits prior to their release from prison. Some of the training programs include auto & diesel repair, upholstery, furniture and cabinet construction, carpentry and small engine technology.

As a benefit to the state and to taxpayers, MVE is self-supportive. Proceeds from the sale of our products are returned to the organizations revolving fund for operational expenses; i.e. salaries, equipment, raw materials, etc.

MVE activities are authorized by Missouri State Statutes, Section 217.575 and 217.580. The statute requires that any products or services produced by MVE must not be purchased from any other source without first obtaining a waiver from MVE. Additionally, orders may be placed directly to MVE, without utilizing the bid process.

Modular Systems

Custom Designed Office Systems

Call us at 1-800-392-8486 for assistance with the layout and design of your office system needs. Our representative will be glad to meet with you, listen carefully as you describe your specific needs, and help you with the measurement and scale drawing of the area involved.

MVE provides, at absolutely no cost to you, a complete product design service for office system furniture. You will be furnished with an easy-to-read blueprint and complete parts list detailing exactly what you want in your office setting. MVE has two different types of modular systems to choose from to accommodate your particular workspace needs. After you have chosen a basic color and selected the fabric for your office, our professional civilian installers will schedule an appointment to install your new system. From start to finish, our goal is to serve you!

MVE offers volume discounts as follows:
Orders of \$250,000......2% discount
Orders of \$500,000.....3% discount
Orders of \$750,000......5% discount
(Note: Discount applies to Office Systems
only- related items are not included)

Panel Refurbishing Let MVE stretch your budget.... Refurbish your existing Modular Office Systems. MVE will refurbish with all new fabric giving your office area a fresh appearance. Your existing office configuration can be modified giving your area a better working environment. Contact the Sales Department for fabric choices and quotation of prices.

Modular Systems Accessories

Mouse Tray The mouse tray mounts to the underside of the work surface to save space and places the mouse at a more desirable work height. The tray slides out for convenient mouse access.

Features include: Durable steel construction. Mouse pad and padded wrist rest included. Easily mounts to any work surface with four screws. Overall dimensions: 13 1/4"D x 8 1/4"W x 3"H. (Customer installation when sold separate from Modular Systems)

M-221 -\$28.55

CPU Mobile Caddy This Caddy is designed to assist the operator with CPU storage and servicing access. The caddy rolls easily on any surface. Adjustable sides supports fit even the largest CPU. Features include: Heavy duty steel base. Adjustable side for any size CPU. Easy roll dual wheel, swiveling casters. Overall dimensions: 12" x 12" x 10 1 /2"H.

M-220 -\$45.90

Panel to Panel

Panel to Panel modular office systems provide solutions for all office and storage situations from clerk-receptionist to data entry to executive. Panel to panel modular spaces are solidly engineered for use as single units or as part of an integrated office system. A broad array of attractive, versatile components including work surfaces, panels, cabinets and accessories allow easy customizing for your environment. Each component is designed for spatial optimization without limiting efficiency.

Ergonomics is a priority consideration in fashioning each unit. Inherent design flexibility is particularly effective in situations requiring multiple configurations, multiple uses or configurations as needs change.

Experienced interior designers will provide you with problem-solving ideas on the most efficient use of your existing space and recommend the workstations that best meet the individual needs of your workers. You will receive a color coded plan view drawing to scale, a three-dimensional view of a typical workstation and a bill of materials listing all parts required and their cost. Our quality engineered system will be professionally installed according to drawing specifications.

This system meets applicable industry specifications set by:

Class A Rating - NFPA Code 101-Sec. 6-2 per ANSI E84 Fire Test

Class I & II Rating - Federal Regulation on Safety Glazing 16 CPSC-CFR 1201 per ANSI Z97.1-1966/72 UL listed panels per Underwriters Laboratories 1286 Standard.

Accepted BIFMA panel system tests per ANSI X5.6-1986.

Acoustic values: NRC-.90 (Noise Reduction Coefficient) per ASTM C 423-84a/STC-29(Sound Transmission Class) per ASTM E 413-73.

Quality Panel to Panel Features

Panel Connections add strength, installation ease and durability (patent-pending).

Rounded corners and

touch and reduce

edges lend an aesthetic

discomfort and fatigue.

Pop-up receptacles provide for easy access at work surface level.

Concealed hanger rail adjustable in one-inch increments to fit every requirement.

Versatile unipost easily accommodates either sameheight or different height panels.

Flipper door and shelf units provide storage options for greater flexibility.

Standard 42" door and lever handle for ADA compatibility.

A snap-together 8-wire, 4-circuit electrical system with a dedicated ground installs in a 6" raceway.

Power management
components include base
raceway, vertical raceway
panel and top cableway
channel.

The curved, glazed open frame,
half-glazed and half-open panels
add beauty and versatility without
excessive cost.

One-inch incremental height adjustable work surfaces add to individual comfort.

Optional keyboard with mouse pad.

Paper management options free work surface space while personalizing the office.

Under shelf lighting can be adjusted to shed light directly on the subject while conserving energy. Optional variable intensity available.

Mobile freestanding files are compatible with all system products.

Panel to Post Systems

Panel to Post modular panel systems make it easy to optimize available space for any number of applications. A wide number of components offered in a variety of dimensions provide workplace solutions for even high-density offices with shifting uses. These durable panel systems are beautifully engineered for use as individual units or a completely integrated office. The system provides valuable designed-in flexibility for easy reconfiguration as employee functions and needs change over time. In addition, the system is designed with ergonomic consideration for the way the human body moves, turns, stands and sits, helping decrease worker fatigue and increase worker productivity.

Experienced interior designers will provide you with problem-solving ideas on the most efficient use of your existing space and recommend the workstations that best meet the individual needs of your workers. You will receive a color coded plan view drawing to scale, a three-dimensional view of a typical workstation and a bill of materials listing all parts required and their cost. Our quality engineered system will be professionally installed according to drawing specifications.

This system meets applicable industry specifications set by:

Class A Rating - NFPA Code 101-Sec. 6-2 per ANSI E84 Fire Test

Quality Panel to Post Features

Pop-up receptacles provide for easy access at work surface level.

Slotted side rails adjustable in 1" increments to fit most requirements.

Power management components include top feed poles, vertical cable/ power raceway.

A snap-together 8-wire, 4-circuit electrical system with a dedicated ground installs in a 4" raceway.

Transition posts stabilize varying panel heights and are available in 10 inch increments for panels from 30 inches up to 80 inches in height.

Glazed curved and open panels add beauty and versatility without excessive cost

Slot fillers eliminate measuring and allow panel-hung accessories and working surfaces to be adjusted to most any height required to fit the person. These along with top caps and brackets keep hang-on components locked in position.

Patented one-piece connectors are the answer for instant panel configuration changes. All that is needed is a Phillips screwdriver. Panels can be added without removing all the hang-on components and do not add inches to the overall office size, eliminating "panel creep".

Movable keyboard arms correctly position keyboards, then easily retract out of the way when keyboards are not in use. Optional ergonomic wrist pad rests are also available.

order is 100 each per size.

Double-Face Corrugated Sheets

Corrugated Cartons

1. Type or print out from your word processor on standard white bond paper regardless of the color of paper on which you want the complete job printed. If desired on letterhead, type original on letterhead; copies will be run on Number 4 bond and will contain the letterhead.

Also known as transfer boxes, these are shipped flat and set up quickly. Convenient storage for letter and legal files, these File Boxes are made of 200 lb. test corrugated fiber board and are strong enough to stack without shelving. Large hand-holds in each end aid in stacking.

Available with full flaps, lids, and liner with large handholds. Liners sold separately to strengthen box. Other sizes available, including 275 lb. test cartons. Inside dimensions are shown Lg. x Wd. x Dp. Minimum

Strong, 200 lb. test cartons in regular slotted style with full flaps.

Shipped flat to set up quickly. Other sizes available, including 275 lb. test cartons. Inside dimensions are shown Lg. x Wd. x Dp. Minimum

Used to make packaging sandwiches between flat objects such as

signs. Also used between pallets and material. 200 lb. test, 1/8" thick.

Other sizes available, including 275 lb. test cartons. Minimum order is

- 2. Provide clean originals for best results.
- 3. Leave at least 1/2" margin on original.
- 4. Use black for signatures.
- 5. It is more economical and probably superior to run on one side only of 8 1/2" x 11" paper.
- 6. If your original is smaller than 8 1/2" x 11", paste it the way you want it to appear on 8 1/2" x 11" white bond.
- 7. Do not fold or staple originals.

Quick Copy Service

Walk-in jobs will be given one-day service for small jobs (3000 total copies or less, collated and stapled). Most other jobs will have a threeday completion date.

Location

The Quick Print Service Center is located on Highway 179 at Central Missouri Correctional Center.

Color Copying

MVE Quick Print now offers Color Copying, sizes up to 11" x 17". Walkin jobs are welcome.

MCC Print Shop - Printing Services

The printing division of Missouri Vocational Enterprises, located at the Moberly Correctional Center in Moberly, Missouri, offers a full range of graphic arts services. From design to binding, your printing needs will be met quickly and economically by trained personnel in our modern offset shop.

Quality printing of envelopes, letterheads, business forms, brochures, programs, newsletters, price lists, booklets, and carbonless snap-out forms.

Graphics services include phototypesetting, design and layout. Complete bindery services including padding, folding, collating, stapling, numbering, plastic binding and shrink wrapping.

931 Series Forms are printed by the MVE Print Shop at Moberly Correctional Center. Information on ordering these forms is available from your salesperson or by calling the print shop at 660-263-3778, ext. 5441.

We also provide typesetting, if needed, for anything except 931 Series Forms, which are done through Forms Management. Call us for estimates and time needed to create graphs, booklets, and numerous other items. We're only a phone call away at 660-263-3778, ext 5441. We also have a digital 4-Color Printing Press that has many possibilities. All items for this press need to be prepared in TIF or PDF formats. Call Dave Rall for details at 660-263-3778, ext. 5441.

All MVE Catalogs are printed on this machine.

Envelopes

Regular Large Envelopes

#9 and #10 size regular commercial envelopes. White #24 sulfite with 2, 3 or 4-line regular imprint return, black ink, packed 500 to a box.

Regular Small Envelopes

#6 3/4 size regular commercial envelopes. White #24 sulfite with 2, 3 or 4-line regular imprint return, black ink, packed 500 to a box.

Regular Large Window Envelopes

#10 size regular commercial glassine window envelopes. White #24 sulfite with 2, 3 or 4-line regular imprint return, black ink, packed 500 to a box.

Regular Small Window Envelopes

#6 3/4 size regular commercial glassine window envelopes. White #24 sulfite with 2, 3 or 4-line regular imprint return, black ink, packed 500 to a box.
